CellTrust Corporation Establishes Advisory Board of Industry Experts in Healthcare, Financial Services and Telecommunications

Advisory Board to Shape the Next Generation of Secure Mobile Communications Solutions

SCOTTSDALE, AZ and NATIONAL HARBOR, MD, Dec. 3, 2012 -- mHealth Summit -- CellTrust Corporation, the recognized worldwide leader in secure mobile communication (www.celltrust.com), today announced that the company has formed an advisory board, made up of experts and thought leaders from the healthcare, financial services, and telecommunication sectors. The role of the [CellTrust Advisory Board](#) is to provide industry and consumer insights that help CellTrust to develop the next generation of secure mobile communication solutions.

Charter members of the [CellTrust Advisory Board](#) include:

- [Dr. Bart M. Demaerschalk](#) – Professor of Neurology, [Mayo Clinic](#), Arizona
- [Dr. Robert Greenes](#) – Chair, [Department of Biomedical Informatics, Arizona State University](#)
- [Dr. Tony Hashemian](#) – Assistant Dean for Global Oral Health, [A.T. Still University, Arizona School of Dentistry & Oral Health](#)
- [Alex Sion](#) – President, [Movenbank](#)

“CellTrust has a seasoned and experienced team of executives and employees, and now we are adding expertise and guidance from leaders outside the company, to play a part in our next stage of growth,” said [Sean Moshir](#), CEO and Chairman of CellTrust Corporation. “The new board will expand the insights we gain from the industry sectors that CellTrust serves, and ensure that the next generation of secure mobile products and services we deliver meet the unique needs of the healthcare, financial services and telecommunications industries and the consumers they serve.”

Members of the [CellTrust Advisory Board](#) include a collection of individuals whose mission is to provide insight on critical issues and matters of concern within specific industries and geographic regions; share information about regulations, policies and initiatives that relate to secure mobile information management within their designated industries; and influence new products, services, programs and strategies.

Visit CellTrust at Booth #717 at the [mHealth Summit Dec.3rd-5th](#) and see CellTrust’s [Panel Presentation](#) on Communications, Security, and Location in mHealth Applications and Solutions.

CellTrust was recognized as [Innovator of the Year](#) by the Arizona Technology Council, Governor's Celebration of Innovation 2012, and was named the [#52 fastest growing telecommunications company](#) of 2012, by Inc. 500/5000.
