

FOR IMMEDIATE RELEASE

CellTrust Corporation Receives TMC 2011 Communications Solutions Product of the Year Award Secure Mobile Transaction Server Recognized for Exceptional Innovation

SCOTTSDALE - September 19, 2012 — CellTrust Corporation, the recognized worldwide leader in secure mobile communication (www.celltrust.com), announced today that [TMC](#), a global, integrated media company, has named the CellTrust Secure Mobile Transaction Server as the recipient of the 2011 Communications Solutions Product of the Year Award.

With the Secure Mobile Transactions Server and SecureSMS 3.0 service, mobile operators and enterprise businesses have access to secure mobile communications and transactions without the need to develop and deploy their own infrastructure, or build their own mobile applications from scratch.

"CellTrust was chosen to receive a 2011 Product of the Year Award for creating outstanding advancements in communications," says [Rich Tehrani](#), CEO, TMC. "The Secure Mobile Transaction Server has proven benefits for its customers and provides ROI for the companies that use it. Congratulations to the entire team at CellTrust Corporation. I look forward to more innovative solutions from them in the coming years."

"We are proud of being recognized by TMC for a product that makes mobile communications secure for our government, military, financial services, and healthcare customers worldwide," said [Sean Moshir](#), CEO and Chairman of CellTrust. "We will continue our mission of advancing technology and making secure mobile communications an easy, practical reality."

The Communications Solutions Product of the Year Award recognizes the vision, leadership, and thoroughness that are characteristics of the prestigious award. The most innovative products and services brought to the market from March 2011 through March 2012 were chosen as winners of the Communications Solutions Product of the Year Award.

[The 2011 Communications Solutions Product of the Year Award winners](#) are published on the [INTERNET TELEPHONY](#) and [Customer Interaction Solutions](#) Websites.
