

FOR IMMEDIATE RELEASE

**CellTrust's Sean Moshir Selected to Present at
2011 Cyber Security Training Conference in Colorado Springs**

***Lecture will Focus on Secure Mobile Messaging and Communication
for Government***

SCOTTSDALE, ARIZONA, USA – August 15, 2011 - CellTrust Corporation, the recognized leader in secure mobile messaging (www.celltrust.com), announced today that Sean Moshir, Chief Executive Officer of CellTrust, is speaking on August 18 at the [2011 Cyber Security Training Conference](#), hosted by the Information Systems Security Association (ISSA), an international not-for-profit organization of information security professionals and practitioners. Moshir will be among speakers including Travis Johnson, Special Agent Cybercrime Division, FBI, and Robert D. Rego, Brigadier General, Special Assistant for Cyber Issues, Air Force Space Command (AFSPC), the Keynote speaker at the event.

Moshir will address mobile vulnerabilities as part of the conference's Essential Information Assurance track, and he will discuss strategies for secure mobile messaging and communication.

The Cyber Security Training Conference brings together U.S. Department of Defense (DOD), information technology professionals, and industry partners, to share ideas and exchange information on ways to further protect and strengthen the defensive posture of information systems, including briefings and panel discussions focusing on current and proposed Information Assurance policies, strategies and initiatives.

Speaking Details:

August 18, 2011

11:20 a.m. – 12:10 p.m.

Cyber Security Training Conference

Crowne Plaza Hotel

2886 South Circle Drive

Colorado Springs, CO 80906

Members of the media are welcome to attend, by sending an RSVP to celltrust@globalresultspr.com.
